Payment agreement for board & Train * Day Camp Training for _____ {Dog}

As owner of above dog I agree to pay Diann Hecht the amount of \$_____ per day for the board & train, or day camp. 1/2 the total amount must be received for a space to be held for my dog. I agree to pay the balance upon pickup of my dog. I agree to pay any additional cost if needed: Extra training equipment, food, treats, etc...

Total stay for dog \$_____. Amount required to hold space \$_____.

There will be no refunds for early pick up of dog. No credit will be given towards other services.

I agree to supply all dog food, any treats, dogs' bed, leash, training collar, etc...

Diann will supply dog bowls- extra bed, blankets etc.....

I agree to meet with Diann during the stay for a training session. I will follow up at the time of pick up. One more training session should be done with in 2 weeks of dog going home. This is important to maintain consistency. I also realize the homework must be continued daily to maintain any and all training that has been done. If I fail to follow up within the 2 weeks after pick up of my dog, all future training will be paid at the normal rate.

Extra fees can be applied for late pick up of dog.

Please Note

It is extremely important to follow through on all training. Dogs do not generalize the commands taught by me in my home with you in yours unless you practice daily and are consistent. Training should be done daily and worked into your daily routine to be most effective. You will be given a package with homework your dog has been doing. Refer to this often.

This is subject to change due to conditions needed at the time of training.
