

## DIANNS HAPPY TAILS TRAINING NEWSLETTER

**Feb and March super specials  
on SOLID GOLD PET FOOD  
and NATURES PET FOOD**

To my surprise, I was able to get a terrific deal on several Solid Gold dog and cat foods, Natures Variety, Prairie and Instinct. These great specials will be passed on to you so you can stock up while supplies last.

This is an in stock sale, so when products run out, I may not be able to get the same great deals, but I can get the product.

So, stock up while you can. Give me a call or email and we can talk about which ones are available. Or, if you'd like, you are welcome to come and shop for yourself. There is no limit on the special stock on hand.

Solid Gold and Natures are among the 2 of the best pet foods on the market with 5 and 6 star ratings from the top food advisors. These are 2 of the ones I feed my own dog. His food is rotated each month.
