

## Dianns Happy Tails Newsletter

**MEET SEALLY. A YOUNG YELLOW LAB THAT NEEDS HER PERFECT HOME she is wearing a gentle Leader. One of the best walking head collars ever made. Not a muzzle.**

### ALL ABOUT SEALLY

This newsletter is all about Seally, the yellow lab above.

Classes and other goodies will come along soon. But, for now Seally is the focus.

Through no fault of her own, she hasn't found the perfect owner dog match. She has a lot of energy, and like most dogs, if they aren't directed in the right way to use that energy, they find themselves in trouble. Seally is a dog that must have owners that will be able to keep up with her energy. Lots of walks, playtime. And a home with a doggie play mate would be perfect. She has been here to play several times and is very social. She is very well crate trained and being here as she has, she has learned a few manners, but of course needs more. She is very smart so learning would not be a problem, she would thrive on that. Dogs need to know what is expected of them, and a good class or lessons would be perfect. She is current and up to date on all shots, as of a few weeks ago. A home with older kids, fenced yard is recommended. And if you have a social dog that needs more exercise, Seally would be the one to give it.

She is a very sweet dog, has a ton of love to give. It is hard to resist her big brown eyes & like labs, she loves to play ball. Once she has had her play time and exercise, she settles down very nice and is so happy to be with her humans.

She will always be welcome here to play with my dog Dante, as they have become great friends & Dante and I both would like that to continue.

Discounts will be offered to the right family for training if you desire. As a trainer, I have worked with her and do know she loves to learn and to feel worthwhile.

Not sure about the water, as it has been a bit frozen lately, but knowing her, I'd bet she loves that too.

No commitments if you want to meet her. She deserves the best chance at being a happy loving dog, one I know she can be.

If you need more info, please call me, I will be happy to go into more details.
