**Behavior begins Sat. May 4th @ 10:30 a.m.**

### **FIRST BEHAVIOR CLASS IS COMING TO AN END, WITH GREAT SUCCESS**

The first of the behavior classes are almost done and have went very well. All the students, dog's, and myself have learned allot about their dog's and other dog's. How to read them better, how they read us, and that turns out to be much better than anyone would think.

Play classes can resume to anyone that has taken the 4 week class. The students are excited to begin the play classes to practice all they have learned in the past 4 weeks. Practice is the only way anything will get better, and I am excited to see much improvement myself in the dog's and owners.

**A new behavior class begins Sat. May 4th @ 10:30 a.m.**
