

Diann's Happy Tails Dog Training Newsletter

Nov. 2012

**Congratulations to the new
CANINE GOOD CITIZEN DOGS
PICTURED BELOW**

**In Oct and Nov Diann's Happy Tails
had an Intermediate dog training class.
Along with the class: the
CANINE GOOD CITIZEN TEST
was done. Congratulations go to
the whole class!!! They all passed with flying colors.**

**The Canine Good Citizen test is a test to be very proud of
This shows everyone that their dog is social, well behaved,
safe to be around and a good citizen for the community.**

**Anyone, any dog can take the test. There are no age restrictions.
Diann does the test 2 times a year or more if requested. Your dog does not
have to take a full class to be given the test, although the class
helps in prep for what is needed to pass and also helps with showing the
owner what their dog needs to work on. You can take the test as often as
needed.**

**Purebred or mixed breed can take the test and when passed goes to the AKC
as a title behind your dogs name.**

**It is fun, as you can see from the picture below. Afterward, the well deserved
dog's had a "Party" They deserved it for all the hard work they did and happy
pet parents loved seeing their dog's have such a good time.**
