Coco:

Above is in need of a new home. She is 2 years old, so all the puppy problems, which were few as it were, are all gone. She is a well behaved and very special girl. Medium size and a real sweetheart. A girl with a soft temperament that would make a special person or family a perfect pet. I have had the pleasure of having her in my puppy class, & I have boarded her here. She had a wonderful time with my dog Dante and a few other dogs that were here. She is very dog social. Coco is as easy going as any dog I've ever seen and never once had to be corrected.

She will only go to the perfect home, so if you think you might be the one please call **Diann @ 541-536-2458** to arrange a meet and greet or for more info.

If there ever was a snow dog:

Coco would be the one.
