**MEET MISSY: THE
STAR AND MOST
IMPROVED OF HER
CLASS: THANKS TO
HER OWNER LIAM**

One of the first classes in the spring will be the **SIT, STAY, LEARN & PLAY class. & will be a continuing class all spring & summer.**

Even if you have no desire to do the off leash classes, the **SIT, LEARN & PLAY** class is very helpful: learning dog behavior & dog language is a needed skill you should know for you and your dog's safety. At the SIT; & LEARN class: the goal is to have 10 minutes of play time in between the classes if Diann feels all dogs are ready.

Your dog must learn to **COME** when called, walk nice on the leash, learn not to tell you when to meet & greet and other skills that are very important for every dog/owner team.

Diann is taking registrations now for this class. It will not be a large class and if needed a waiting list will apply. This class is in large part a lesson for the owners of dog's who would like their dog to be social, & 'come to the **OFF LEASH PLAY GROUPS**. The LEARN part of this class is for the owners as well as dogs.

Owners MUST understand their dog's body language and learn about dog behavior, how dog's communicate with each other. The good and the Bad. And how dog's communicate with humans. They really do talk to us & other dogs. If you want to understand your dog and other's or come to any PLAY CLASSES: THIS IS A REQUIRED CLASS: NO EXCEPTIONS!!!

Handouts are given, Homework is to be done: Test will be given:

The **SIT; LEARN & PLAY CLASS** will be announced and done as soon as possible.

All dog's must pre register and pre pay: with have current vaccinations;

There will be a max. of 6 dog's in the SIT, LEARN & PLAY CLASS

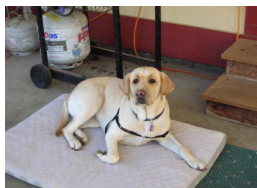

One Hour each week: TBA. Cost is \$45.00 each dog. One dog per owner.

Pre register to hold your spot as there can be a waiting list. Not to be put towards other classes.

For more info: please contact Diann @ 541-536-2458: or to get registered.

Several other pet foods come from this supplier. Let me know if you would like info on other brands. Great Life also has non grain free dog food. But, one of the best things about Grain Free, is your dog will eat so much less, which means allot less yard clean up. Diann's dog, Dante is about 110 lbs and he eats 3 cups a day of Great Life. Being Grain Free: it is more filling, nutrient dense, all the good quality ingredients stay with the dog, not going out.
