***Little Rascals is a combo of basic manners, which every dog needs no matter the size. Nothing too hard, but enough so they know you are their leader, just because they are small, doesn't give them the privilege to be bossy or pushy. Their reward for doing good on leash work will be 10 to 15 min. of play time. Learning good social skills is a must. coming when called, sit, down stays, leash walking and more. Little Rascals will learn training is fun, because their reward is play time.***

*Bring your families, friends, everyone will have fun  
Taking registration now. So don't wait.*
